Border force seizes 665 gms of heroin near India-Pak border in Punjab

The packet, wrapped in yellow adhesive tape, was found in a farming field ahead of the border fence. Officials from the BSF's Punjab Frontier said the prompt action by their vigilant troops had thwarted yet another smuggling attempt from across the border.

The Border Security Force (BSF) recovered a packet of heroin weighing 655 grams in Punjab along the India–Pakistan border on Saturday. The seizure was made in the village of Nihalewala, located in Ferozepur district. The packet, wrapped in yellow adhesive tape, was found in a farming field ahead of the border fence.

Officials from the BSF's Punjab Frontier said the prompt action by their vigilant troops had thwarted yet another smuggling attempt from across the border.
